Sponsorship Prospectus

History

12th Conference on Security and Privacy in Wireless and Mobile Networks (ACM WiSec) is the leading ACM and SIGSAC conference dedicated to all aspects of security and privacy in wireless and mobile networks and their applications. In addition to the traditional ACM WiSec topics, the conference focuses on the security and privacy of mobile software platforms, usable security and privacy, biometrics, cryptography, and the increasingly diverse range of mobile or wireless applications such as Internet of Things, and Cyber-Physical Systems.

The 12th version of the ACM WiSec Conference will be held from May 15 to May 17, 2019 in Miami, FL, USA. A pre-conference day (May 14) is dedicated for workshop/tutorials for state-of-the-art topics in security and privacy in wireless and mobile networks.

Why Sponsor ACM WiSec Conference?

ACM, the Association for Computing Machinery, is the world's largest educational and scientific society, uniting computing professionals to inspire dialogue, share resources and address the field's challenges.

ACM Wisec will bring together stakeholders from industry, government, the military, and academia to share information, network, explore ideas, and learn about emerging trends and today's hottest and most provocative cybersecurity topics in security and privacy in wireless and mobile networks.

With keynote addresses, interactive paper presentations, live demonstrations, exhibitor displays, and sessions, tutorials and workshops from all around the world, three-and-a-half-day events serves as a forum for thought-leaders, professionals, and anyone interested in cybersecurity to learn, engage, and connect.

With over 200 cybersecurity professionals expected from around the world, including Europe, Asia, the US, Latin America, the Caribbean, the 12th version of the ACM WiSec Conference aims to deliver thought-provoking discussions and interactive presentations in a high-quality networking forum in Miami Beach, Florida, USA, providing abundant engagement opportunities for all the stakeholders.

ACM WiSec Conference Venue

ACM WiSec Conference will be held at Royal Palm South Beach Hotel, a Marriott Hotel & Resort in the heart of South Beach between May 14-17, 2019. Hotel: <https://www.royalpalmssouthbeach.com/>

With a famed South Beach location, The Royal Palm South Beach Miami is an oceanfront resort in Miami Beach. The hotel sits directly on the beach and provides direct access to the boardwalk. Within easy walking distance guests can enjoy luxury retail shopping on Collins Ave and Lincoln Mall as well as South Beach indigenous entertainment and dining options on Espanola Way. The hotel location affords easy access to downtown Miami, Port of Miami and Miami International Airport; all within 15 minutes.

Miami is a great destination for WiSec attendees. As some say, Miami and the South Florida region in general, is deemed as the "Silicon Beach." Specifically, Miami is a major hub connected well with so many destinations in the world over sea, air, and land and offers world-class services in finance, commerce, culture, media, entertainment, the arts, and international logistics and trade. It is the cruising capital of the world and is home to many museums and family-attractions. With its dynamic population and demographics, the region has a huge potential for technology.

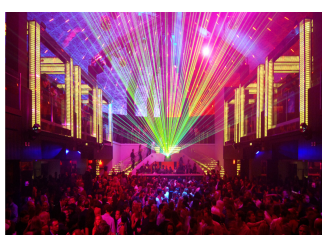

Also, Miami is one of the world's most popular vacation spots. It offers multiple opportunities for everyone. Some of the local attractions include: Design District, Wynwood Arts District, South Beach /Art Deco District, Bayside Marketplace, American Airlines Arena (Home of the Miami Heat NBA Team), Port of Miami (aka "Cruise Capital of the World"), Coconut Grove, Miami Seaquarium, Dolphin Stadium (Home of the Miami Dolphins), Vizcaya Museum & Gardens.
